**Universality**

Austrian Red Cross is consortium partner in DIREKTION project – complementing from EMS and humanitarian perspective to fire fighter representation in practitioners stakeholder role.

# Challenges with AI, Drones and Satellites

Keeping focus on **HUMANS** and doing **NO HARM**.

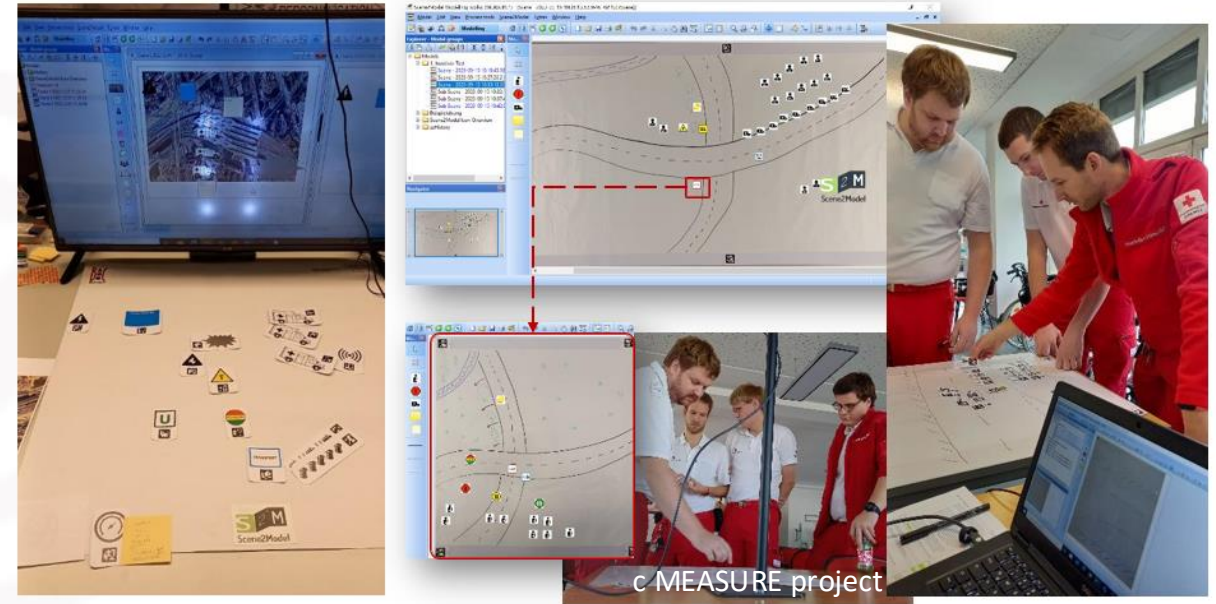

A word cloud of various terms related to the challenges of AI, drones, and satellites. The words are in different colors and sizes, arranged in a circular pattern. The words include: costs, adaptation, kpi, operational, tactical, privacy, strategic, structures, language, dual-use, data-reliability, specialized-equipment, need-for-adaptation, equipment, bias, sop, do-no-harm, data, and llm. The word 'do-no-harm' is prominently displayed in the center.

supported by woodclap

# Solution Experience in the field

# THANK YOU!
